Parent Information Forum: An Introduction to Waldorf Education

Thanks to all who were able to attend our virtual Parent Information Forum on Wednesday, April 21 on An Introduction to Waldorf Education. KPPCS director Phil Centers and long-time Kona Pacific Waldorf teachers Greg Learned and Barrow Hutchison presented an interesting overview of the beginnings, core principles, and practices of Waldorf education which Kona Pacific Public Charter School is founded on. A video recording of this presentation is available.

Kona Pacific Governing Board Members Needed!

A new Kona Pacific Governing Board term is starting in May. Five currently sitting board members have pledged to continue into the new term. This leaves at least two open seats. There are two open employee seats and one or more seats on the GB which can be filled by a parent/grandparent/guardian or community member. The formal application period has closed but the GB is always open to hearing from community members interested in joining the GB. If you are interested or have any questions, please contact the GB President, Zac Hosler, at zacharyh@kppcs.org.
